About ASPIN

Affiliated Service Providers of Indiana (ASPIN), a 501(C) 3 not for profit behavioral health network incorporated in 1995, operates four major service lines: behavioral health services, professional training and workforce development, grants management, and health improvement. The mission of ASPIN is to provide innovative educational programs, workforce development, network management, and collaborative program development with healthcare entities, member organizations, and partners. Together, we aim to reduce health disparities, strengthen the healthcare workforce, and promote whole health management across communities."
