## Behavioral Health Network

## About ASPIN

**Affiliated Service Providers of Indiana (ASPIN)**, a 501(C) 3 not for profit behavioral health network incorporated in 1995, operates four major service lines: behavioral health services, professional training and workforce development, grants management, and health improvement. The mission of ASPIN is to provide innovative educational programs, resource management, program development, and network management in collaboration with all healthcare entities to address health disparities and whole health management.

## Service Lines

### Behavioral Health Services

- ASPIN is a statewide clinical network for behavioral health and addictions services in over 50 locations, serving approximately 70,000 consumers annually.
- The network's clinical providers offer the full continuum of care that covers outpatient services, inpatient treatment, and residential placements.
- ASPIN administration operates as a third-party contractor to centralize contracts for State and Federal funding for its network members. Funds administered are Hoosier Assurance Plan, Mental Health Funds Recovery, and Special Populations.
- The network is accredited by CARF and is audited annually by an independent auditor.

### Health Improvement

**Access to Care:** ASPIN holds a CMS cooperative agreement to provide a statewide network of Federally and state-certified healthcare navigators who provide assistance in enrollment into the Federal Marketplace and Medicaid programs.

#### Former Health Improvement Grants:

- HRSA Rural Health Development Grant to improve diabetes health outcomes in the behavioral health population,
- HRSA Outreach Grant that integrated primary care and behavioral health in a rural health clinic,
- HRSA Outreach Grant that focused on improving health outcomes for persons with mental illness and intellectual disabilities and diabetes,
- Contracted with VA Roudebush Medical Center to operate an eight-site telehealth network to connect veterans at rural community mental health centers with VA clinical therapists.

### Training and Workforce Development

- ASPIN is Indiana's leading behavioral health training provider, training over 1000 clinicians annually for certification and continuing education credits.
- ASPIN offers an online Comprehensive Certified Community Health Worker Training approved by Indiana: Medicaid, Department of Workforce Development and Division of Mental Health and Addictions.
- ASPIN holds three HRSA training grants to train students as Certified Community Health Workers with Chronic Care Professional, Opioid Basics, Opioid Impacted Family Support designations.
- ASPIN's Comprehensive CHW program was approved in 2020 as Department of Labor's first CHW apprenticeship program in Indiana.
- The ASPIN Navigator pre-certification and CEU's trainings are licensed through Indiana Department of Insurance.

### Grants Management

- **State Contracts:** Since 1996 ASPIN has served as a fiduciary management of clinical contracts with the state of Indiana. ASPIN has managed over 157 million dollars in clinical services contracts and 4.4 million dollars of state professional services contracts.
- **Federal Grants:** ASPIN has been awarded over fifteen HRSA grants totaling over ten million dollars and nine CMS Cooperative Agreements for over 4.7 million dollars. ASPIN has been awarded over 15 million dollars in federal and foundation funding to develop and expand innovative programs.
- **Project Management Services:** Grant writing, program/grant evaluation, report writing, conference planning, meeting facilitation, financial management, and performance improvement.
