

Presented by:

Join our network of certified COPE facilitators who are leading COPE trainings across the country.

The Cost of Poverty Experience

Facilitator Training

The COPE Facilitator Certification is a 3-day training that fully equips you to successfully facilitate the Cost of Poverty Experience on an ongoing basis for your organization or network.

You will learn how to maximize the use of COPE with your stakeholders, understand the behind the scenes logistics, and gain knowledge and practice to facilitate a high-impact debrief that leads to new insights and effective action.
